PRESIDENT REPORT

All good things must come to an end.

Some may like it, some may hate it.

We've had another action packed year with a lot of highs and some lows.

We had some teams make the finals in the competitive age groups and a lot of our non-competitive teams thinking they were in the World Cup with the passion and enthusiasm they showed week in and week out.

Walking around Barnier Park watching all the enjoyment every child was getting from the game that I love so much, put a smile on my face, knowing that the game of football is alive and well at the Westlawn Tigers Football Club. Seeing the talent our club has is very promising for continued success in the years to come.

I'd like to thank all the parents and helpers for all their time and effort throughout the year. Without volunteers the club doesn't function and we need more and more help every year, so your continued help into the next season and beyond would be greatly appreciated.

To the committee thank you for another eventful year, your help has been second to none. THANK YOU

A special thank you and farewell to Lindsay Nash (Grey Panther) your time at the club hasn't gone unnoticed and you will be sadly missed. We wish you all the best at your next challenge. You and your family will always be welcomed at Westlawn Tigers Football Club.

Sadly my time on the committee has come to an end.

I won't be standing for any positions for the coming season and after 20 years at the club my wife finally got her wish. I will still be playing hopefully in the 3rd grade Panthers team for a few more years yet, so I'll still be at the club helping out when needed.

A big THANK YOU to my family for all that you do, I greatly appreciate it.

So THANK YOU everyone for your help over the years and let's continue together to make the Westlawn Tigers Football Club even bigger and better than ever.

Yours sincerely

Matt Cheney

Westlawn Tigers Website

Wow how busy has our Facebook page been this year! It has been great to see everyone contributing.

The club hopes our Wednesday info spot has helped members with info on how parts of the club works.

The pic of week has been updated more regularly this year due to the larger number of people contributing photos to Facebook so the club has more pictures to work with.

Our website is still being utilized by those people without Facebook and is a major resource for storage of our policies and procedures.

Thanks to all who have contributed to the website or Facebook during 2016.

SENIOR VICE-PRESIDENT REPORT

This year we had 44 senior players register between 1st grade Premier's Reserve's and the Mighty Panthers 3rd Division.

The year has been a challenge with players away injured or with work commitments.

Reserve grade missed out by a few points to play finals.

We would also like to say a huge thank you to those Under 16's who stepped up to play senior football this year,

Jayden Coulter, Kaden Chaffey, Nicholas Lavender, Jordan Nash
Billy Warren, Travis Eichmann, Harry Warren, Joshua Arandale,
Shannon James.

Thank you to the Coaches James Joyce and Greg Allen for giving up your time to coach and organize the teams - a huge effort!

I personally would like to say a sad farewell to the Grey Panther Lindsay Nash, who has been with WTFC for almost 20 years and a stalwart of the Mighty Panthers.

It has been a pleasure and great privilege to play soccer with you, Lindsay you will be missed.

Under 6 Jaguars Black, Gold and White

We had three U6 Jaguars teams this year:-

Jaguars White – Skyla Ellis, Milla Lawrence, Charlie Martin, Clair See, Ashton Slattery, Austin Landrigan.

Jaguars Gold – Taya Murphy, Taj Chevally, Katie Dahl, Callum Tait, Henry Tanner.

Jaguars Black – Harper Brown, Lucy Hughs, Oliver Inskip, Seth Robertson, Nathaniel White, Henry Wright.

Wow!! What fun. These kids without fail made me smile every week. It was so good to watch the season unfold, as they developed not only their soccer skills but also made great friendships. Every week they would bring so much energy and enthusiasm, but the standout would probably be their sportsmanship. I overheard one of our Jaguars say to the opposition (who was talking about how many goals they had scored) “That’s O.K. it’s not about scoring goals it is about learning how to play soccer and having fun”, and that is exactly what they did. Some of the season highlights were:-

- The plane at Rushforth Park that kept distracting them so we stopped the game and waved to it.
- The beginning of the season when there was no such thing as a sideline
- The lack of willing subs in the first half and the excess in the second.
- The players on the team that knew exactly who’s turn it was to kick off or take the free kick.....which was very helpful at times!!
- The half time craziness, when 5 seconds ago they were too tired to run.
- Silent Saturday for U6’s.....so funny. I think at one stage we had three teams on the same field.
- The enthusiastic cheering from the younger siblings on the side line.
- The running and watching of shadows (usually their own) and cuddling of each other on the field.

We enjoyed all of these things and more!!

A special thankyou to all the parents that helped out during the season.

Especially the parents of Jaguars White who ran their own team every Saturday. We were very lucky to have a group of parents so willing to help out when asked. It certainly made our job a lot easier.

Under 6 Panthers Black and Gold

What a great year U6 Panthers Black and Gold have had this year. We have 12 kids, a mixture of beginners and kids playing their second year of soccer.

It was great seeing the kids develop confidence with each game like Kye and Oscar who got amongst it as the season went on.

We had a few strong players, Lukas and Rheo who helped their team mates by passing the ball around and gave other kids a go. Chad had a big kick and Nate was a great defence player.

Digby always gave 100% and loved being out there running around.

Caleb found his feet towards the end of the session and was pretty determine.

Our girls were out numbered by boys but that didn't stop them. Sophie never complained and gets out on the field and has a go, as well as Grace, who has come out of her shell more this year on the field. Paetyn never stops and is very determine as a player. Well done girls!

Jake due to injury was left out of most games this year but he loved the game and showed great sportsmanship coming to watch his team mates.

A big thanks goes to our coach Josh Foster for coaching both our U6 Panthers Black and Gold team.

Kate Shaw – Manager

Under 6 Tigers Black and Gold

These boys had a great first year at soccer. They made great friendships and developed skills along the way. Well Done to Nate, Jacob, Ashton, Chase, Jacoby, Eugene, Taj, Jasper, Noah K, Noah J, Rhys and Ryley on a their first year as Tigers. Im sure there are some future Tigers Stars amongst them.

Amy Jones - Manager

Under 7 Panthers Gold

What a fantastic little group of kids! With lots of laughs, which their friendships will grow as long life mates as they work great together as a team.

Panthers Gold are :- Sunny Hartmann, Poppy Farrell, Aniston Haynes, Alex Hyatt, Tyrese Looker and Billy Watts.

To our fantastic coach Aaron (Az) Hartmann, thank you for your time and patience. What an amazing job you have done with the kids.

Thank you to parents, grandparents , uncles and aunties for helping pack up fields, canteen duty, gala days, washing the shirts and helping run the kids on the fields when Az couldn't be there.

A big thank you to Jake Hyatt and Myles Hartmann for assisting when the coach was away. Awesome job.

Hope to see you all again for more laughs, great skills and sportsmanship next year.

I enjoyed being their manager and looking forward to the next great season of soccer.

Mel Hyatt – Manager

Aaron Hartmann – Coach

Under 7 Panthers Black

Well what can I say with these fantastic group of kids! Lots of laughs, great friendships and sportsmanship, who really played great together as a team.

Panthers Black are :- Rylann Bowling, Samuel Ensby, Jack Foster, Emily Marscham, Cobi Woods and Ezra Roberston.

Aaron (Az) Hartmann, also coached these kids. You have done an awesome job!

Thank you to mums and dads, grandparents and friends for helping pack up fields and canteen duty.

A huge thank you Belinda (Bel) Bowling to help run these amazing kids on the field each week! And washing the shirts. THANK YOU.

To Myles and Jake thank you for helping out assisting in training.

See you all again next season of soccer. I enjoyed being their manager.

Mel Hyatt – Manager

Aaron Hartmann – Coach

Under 7 Tigers White and Black

2016 was again another enjoyable and eventful year, thanks to a great bunch of kids.

This season I had the pleasure of coaching U/7 tigers black and tigers white. Alex, Bohdi, Hamish, Jack, Logan, Madden, Marcus, Mia, Oliver, Romy and Thomas.

Every week these kids improved, implemented skills learnt at training into games, were involved in great displays of my sportsmanship and always had a smile on there face. I found this very pleasing to see from a coach and parent perspective.

Thank you to all the parents who helped out throughout the year in the canteen, at training and on the field as game leaders.

Hope to see you all next season.

Under 8 Jaguars

TEAM: ASHTON MITCHELL, JAKE AUSTIN, HAYDEN LUXTON, LOGAN MCGRATH, ARNEZ KEARNS, VINCENT GUO, MAKHAI HAYNES, HARVEY LANDRIGAN and KADEN DANKS-BROWN

All players had a great season with a few in the team playing for the first time this year. The children all got along well and showed great team spirit by supporting and encouraging each other throughout the season.

At training they practiced playing in positions for the first time and passing the ball to their teammates and controlling the ball. They also practiced doing throw-ins from the side-line which was new to the players and enjoyed the challenge of having a goalie for the first time. By the end of the season they all seemed to find the position they liked to play in and each player had certainly improved and showed greater confidence and ability.

They participated in 2 carnivals this season (Westlawn & The Gunners) and thoroughly enjoyed both days.

A big thank you to Michael Luxton who coached the team this year and supported them at their games. Also thank you to Colin Mitchell who filled in as coach when Micky was unavailable.

I would also like to acknowledge our parents who got the kids to training and supported them through the year - A great season was enjoyed by all.

Under 8 Tigers

This season has been a very good season in my eyes. Lots of laughs and pretty good results all season, only losing one game in a carnival to a Coffs team, which was a good thing to come up against - some quality opposition and not get to complacent with winning.

But the best thing to come of this season was the massive improvement from last season.

A big thanks goes to Jordy who I don't think gets the recognition he deserves, as he does a lot for the team. Turns up to help coach every week and turned up to every game even when I was "sick". He has been a massive help to the team and me, and we are very lucky to have him and I know the kids and parents alike loved having him there. I hope he comes back again to coach next season. Thanks also to Mick and Jenny for managing the team on weekends. Thanks to parents for getting their children to training, games and helping with setup of fields and in the canteen. Thanks also to the WTFC committee for all your hard work during 2016.

I saw lots and lots of positives for this team this season and they have improved loads from last season. Every single person on the team adds something extra and I don't think that can be said for most junior teams, especially under 8's. If this team can stick together, I believe it is a big positive for Westlawn Tigers as a football club, as I believe they will be up there as one of the better teams in the Clarence. And to have that young talent that will eventually come through to senior football - I have no doubt that will bring success with it.

This years team:-

Chad Bowling, Chase Callaghan, Nate Laurie, Heidi McClymont, Stone Owen, Liam Salvestro, Huxley Smith, Rocco Smith and Chase Stoves

Under 9 Panthers

The Panther's have had a wonderful season showing off how far they have come with fine tuning their skills. The team has really starting working cohesively with a greater understanding of their allocated positions and are so exciting to watch!

We attended the Westlawn Gala day and the Gunners Carnival with the boys having a great time at each event. These were long days and their enthusiasm was unwavering every time they went on the field. Congratulations boys for having such great attitudes and giving 100%!

Tyla Spinx, Will Tait & Riley Morris really showed off their speed this year in each game while Loghan Kippax took on the role of goalie more often than not and did an awesome job. Sam Buggy stepped up and played his heart out each game with a noticeable improvement this year. Oneil Brown, Elijah Cheney and Jack Delaforce showed strong attacking skills and Scott See and Jarvis McPhee were also dominant figures on the field with their great ball skills.

We have a fantastic group of parents who were very supportive of the kids and would help out with anything and everything that was asked of them. Thank you so much! Makes for such a great season!

We hope to see you all again next year!

Shayna Delaforce

Under 9 Tigers

Another great season of soccer has come to an end. Our U/9 Tiger's have come a long way this season with their individual talents developing as each week passes. They have gained confidence and skills in their own ways.

Thankyou to our coach Dominic for your time and coaching this season. The boys all really look up to and admire you.

And another big thank you to all the parents who helped out in the canteen and with setting/packing up the fields when needed. And of course getting the kids to training and games each week.

The players are: Ted Hill, Jaiden Moran, Blake Norrie, Cooper Armfield, Lachlan O'Grady, Reece McLaughlan, Ryder Goring, Lachlan Clark, Seth Blanch and Eli Jones.

Under 9 Jaguars

The team has come a long way this year. They are really starting to play well as a team rather than as solitary players. We have been working out which positions the players are best suited for. In doing so we have had some really good results in that the players are finding their feet in their positions. Sam Waterhouse has been a brilliant goalie. Savannah Cheney has been tenacious in her roll as defender and as a forward. Jack Davis has slotted in really well as right wing. Harrison Archer has been fantastic as a defender. Connor Marscham has chased down every opponent and regularly steels the ball. Jaxon Moran has developed one of the biggest boots in the team and regularly gets us out of trouble with such kicking power. Andy Hughes puts his heart and soul into every single match with a never say die attitude. But these players would not be where they are without the likes of Dalton Collins, Liam Stevens and Noah Woodbury. These three players have all made a massive impact on the way the team has performed this year.

Michael Collins (Coach)

Under 10 Jaguars

Well unfortunately another season has drawn to an end.....

The Mighty Under 10 Jaguars have had a ripper of a season welcoming some new talent to the team and new members to our Jaguar family.

Our Jaguar superstars consist of

Ethan Ashbrook	Reuban Baxter	Shawn Harwwod
Shannon Robinison	Shayla Boorman	Luka Cheetham
Koby Holland	Xaviar Elward	Jimmy Ford
Ethan Howe	Logan Gough	Billy Owen
Jaxon Rediger		

In all of their games these kids have shown dedication, great sportsmanship and outstanding skills and teamwork. Each and every child had a crack at being a goalie ...some loved it more than others but never ever gave up.

Their skills have progressed like no other.....

It has been a joy to coach and manage this amazing group of children and parents, tasks like this are never hard when you have great kids and supporting families behind you.....we thank you!!!!

Next season they will be a force to be reckoned with in our opinion.

Until the season begins again

Lana and crunchy and the elward gang xx

Under 10 Tigers

What a fantastic 2016 football season the Under 10 years Tigers have had, it has been a season filled with many new milestones.

The boys in this team have improved in all aspects of the game, we had a good line up with 13 players.

The team players for 2016 are :

Braith Bartlett, Cree Crispin, Zane Farrell, Beau Hambly, Bobby Hart, Jensen Haynes, Riley Landenberger, Zane Maddock, Marcus Makejev, Jak Mcphee, Harry Oxenbridge, Brayden Smith and Koopah Walters.

The coach Craig Phelps has volunteered countless hours of his time and has been there for the boys sharing his amazing talents both on and off the field. Craig has nurtured each player allowing them to find their own strengths. The boys always train beyond their years they have been working hard on defence, and tackling techniques also with lots of drills that help demonstrate the benefits of playing as a team. Therefore developing amazing talents in all the players, which in return then nurtures great sportsmanship and equates to an all round amazing team of talented soccer players. This also encourages great friendships strengthened through hard work and lots of fun. So then in times of need on the field they pull together as a team. This has been proven throughout the season with great results in all their games.

A special mention must be made to acknowledge Nathan Crispin who has been the back bone of the team on the sideline every Saturday to help with the 4 subs (not an easy job). Most of us really appreciate his time it is valued and the games wouldn't flow on without him, so a thank you to Nathan is a must.

Finally a big thank you to the parents and friends of the Tigers players who have been a great support on the sideline all season.

A thank you also to the few parents that were always available to do canteen and help with field duties. I appreciated this help.

This draws a close on the 2016 soccer season we will miss our training days and Saturday games but we look forward to doing it all again in the 2017 season. These boys and Craig have plans for the future.

Cheers from the team Manager Sharyn Crispin

Under 11 Tigers

“Well” what can I say? A fantastic season with great group of boys. This season we had a couple of new players, Noah Rainbow, Harry Hughes, Austin Gallagher and Matthew Morgan. These boys got on very well and worked together as a great team. Our coach of the year of 2015, Liam Rodgers, showed his dedication encouragement and hard work. Fantastic coach! Also thank you to Brad Chapman (assistance coach) for helping Liam. Awesome work. Hope we will see you again for next season.

Tigers :- Dean Chapman, Ryan Hyatt, Sean Rodgers, Alex Salvestro, Levi Vereyken, Ben Walters, Aaron Kay, Noah Rainbow, Harry Hughes, Austin Gallagher and Matthew Morgan.

These guys all respected and looked up to Liam as a big brother. Also thank you to my wonderful and dedicated mums, dads and grandparents who helped me with setting up and packing up fields, gala days; and going and enjoying canteen duty and washing the shirts. I couldn't have done it without you all.

I enjoyed every moment all with great laughs and memories. I hope to see you all next year for more laughs and great fun.

Liam Rodgers – Coach

Under 11 Panthers

2016 has been a fantastic season for the Panthers, where the team continued to develop their skills and really enjoyed playing together under the watchful eye of super coach Phillip Clausen. Along the way they managed to become a force to be reckoned with, winning the majority of their games.

I would like to thank Phillip for all the time and effort he has put in for our team and the Westlawn club not just this year but the past few years, he has given up a lot of his time to coach our side along with coaching another junior side and playing for his side on the weekends, not to mention refereeing when required.

To the players in our team Caleb Berrick, Caitlyn Clausen, Sunni Gorrington, Blake Hayne, Hugh Heyman, Ella Johnson, Byron Kratz, Dan Lavender, Charlie Nilon, Joey Nilon, Abel Warren and Nathan Weatherall congratulations on the season it's good to see that you are starting to use the whole field by passing the ball around and I hope you continue to work as a team in the future to further your soccer skills.

Our 2016 Players Player is Dan Lavender, who has developed his skills on the field and in goals to become a leader in our team who can use his speed to both stop the opposition's raids as well as starting and finishing our attack, another great year Dan.

The Best and Fairest is Charlie Nilon who is a super player with a never say die attitude and has the skill and speed to become a great player. He also is a good listener who represents what the best and fairest is all about, great work Charlie.

This year our coaches award goes to Nathan Weatherall who is a naturally talented player who can do anything he wants on a soccer field and is very respectful and a great asset to our team, congratulations Nathan.

Once again to Phillip, the players and all the parents that have helped out this year congratulations and thank you.

Under 12 Panthers

A Recipe for an under 12's Panther's Pack

Ingredients

- 1 'Can I go goalie? Can I go Striker?' – William Wallace
- 2 of the fastest legs in the competition – Arabella Labao
- 1 man late for work but eager to get the job done – Connor John Skinner
- The man that makes it look easy – Samuel Platt
- A handful of advice – Nathanael Harwood
- 4 trustworthy hands in goal – Alex Alford & Toby Revell
- A TBS of Rugby Union Shoulders – George Tooth
- A whole cup of improvement – Lee Morris
- A scoop of reliability – Jesse McGarvie
- A touch of fancy footwork – Michael Luxton
- 1 energizer battery – Harry Watts
- A touch of 'When I feel like it !!' – Gabrielle Bowles
- 1 keen defender

Method

Mould together all ingredients and mix well until gelled. Continue to encourage, praise and guide mixture over a well maintained pitch. Spread evenly and sprinkle with advice. Fill to the brim with sportsmanship, confidence and spirit until overflowing. Allow time for skills and development. After approximately 7 months of practise and fun together, you should see a batch of passionate Panther's.

2016 has been a great season for the Panther's. Hard work and determination has put them through to the finals. Throughout the year, the teammates have shared fun, laughter, blood, sweat and tears. All players have given 100% and we hope to see them all in 2017.

A proud coach and Manager,
Wayne & Therese Revell

Under 12 Tigers

What a great season the mighty U12 Tigers have had - stepping up to the bigger field and their first season of competitive games. In 2016 we welcomed a new coach and Manager who both had big shoes to fill...but I think we came out the other side unscathed, learning lots along the way! Our mighty Tigers who returned this year were Harry Bingham, Jack Ford, Nicholas Godwin, Jai Golding, Charlie Hayes, Sam Marshall, Fletcher McGrath, William Pope, Taylor Powell and Keaton Roe and we welcomed Sam Carroll, Nathan Banks & Brock Green-Robertson to our team.

The boys played brilliantly together as a team all season and we have seen their skills and confidence develop and each player's strengths allowed them to shine on the field. Whether we had a win or a loss the boys always played hard til the end. We are very proud of our awesome team of Tigers who always showed great sportsmanship on and off the field. Not only are they a great bunch of boys but they are all good mates too!

The team has showed great improvement throughout the season. Our last game against the Yamba Strikers is testament to how much our team has improved. That game ended in a nil all draw, earlier in the season we went down 8 to 1 against Yamba. We were super proud of the boys and it was an awesome game to watch!

We owe a huge thank you (& maybe a trip to I-Scream) to a few players who were always happy to step up and fill in when we were short a player or two...and what mighty little players they were! Thank you to Daniel Lavender, Zane Maddock, Cree Crispin, Jimmy Ford & Harry Oxenbridge.

A few of our boys also had the opportunity to play up with the U13s & U14s throughout the season. They were always keen to play. It was a great confidence booster for them and they enjoyed playing for another team.

Thank you to the U13 Jaguars & U14 Tigers for giving the boys a run.

To our wonderful families, many thanks for always showing support & cheering loudly from the sidelines. Thank you for getting the boys to training and games each week and helping out when needed in the canteen etc. We hope you all enjoyed watching our team of tigers play and we hope to see you all again next season.

Thank you Ainsley for your awesome coaching this season...you always managed to make training fun! Although I was a tad worried in the first couple of weeks that they may not come back when you started the fitness training...but I secretly think they enjoyed it (after they got over the shock of all that running!) Thank you for always listening to the boy's ideas or suggestions and helping some of the players step out of their comfort zones. The boys enjoyed training and were happy that you didn't mind if it was with a soccer ball, NFL ball or the odd Frisbee! I enjoyed our weekly "bench banter" and the kids loved the little white board! It has been a great season of soccer!

Lisa Giddins - Manager

Now a few words from Coach Ainsley

Fletch – The Force. You could put Fletcher in any position and be assured he'd give it 100%. Solid in the backs and fast and determined as striker.

Dedicated to training and even began to recognize the beneficial effects of sprint training!

Charlie – The Missile. It soon became apparent that Charlie would put his body on the line to defend his goal. Fast and determined he used his body, speed and nibble ball skills to get the ball out of danger.

Taylor – The Terrier. Taylor improved in fitness and ball skills every game this season. His role within the team became clearer and he was focused and determined to help.

Nathan – The Hunter. And hunt he did! Relentless in chasing down the ball. He was positionally aware, marking up well and giving it everything.

Sam M – The Bolt. Fast as lightening! Blink and you could miss his bolt to score. Hungry for the ball to find the back of the net. A real crowd pleaser!

Jack – Jocky Jack. His team spirit could often be heard on the field directing play...or helping others... or having a friendly chat. Jocky Jack often found holding up the back line or sending balls through. From goalie to striker Jack always added an element of excitement to the game.

Nicko – Wingman. Nicko knows the true meaning of wingman! Always ready on the wing – ready to receive, defend or cross. He improved every game. His ability to 'read the play' developed throughout the season making him an integral team player!

Brock – The Block. And block the goals he did! A happy yet committed Tiger, volunteering regularly to play in goals.

Jai – Jumping Jai. A quiet achiever! A true team player who committed himself regardless of position. Quick with his reflexes and accurate passes, Jai was instrumental in providing many opportunities for goals.

Keaton – The Terminator. Don't mess with the terminator! Late in the season he developed a likeness and skill as sweeper. Throughout the season he was pivotal in RIGHT mid providing many opportunities and selflessly passing them off.

Sam C – The Swift. Sam, swift and tenacious he would chase down players. He would give it everything he had, every time he played. Another dexterous Tiger player who could play anywhere and do the job.

Harry – The Harrier. When defense is needed – call the Harrier. Harry developed his fitness and ball skills throughout the season making great decisions on the field to hold up play.

Will – Will Willing. Willing to go anywhere and attack or defend. Will was hungry for the ball wherever it was.

Lisa – Mighty Manager! How lucky could the tigers be to have such a Mighty Manager! Everything was always organised from shirts to score cards to matches to canteen. Everything was ready – nothing was a problem. Thank you Lisa – you made it such a fun and enjoyable season.

Tigers Team

'A group of tigers is called a 'streak' or an 'ambush'. In the wild, tigers are known for not staying in groups. However, man-made environments may force them into unnatural social groups.' Thankfully our streak successfully adapted to a social group! A great bunch of boy's that worked well as a team and were genuinely supportive of each other. They were competitive yet showed fine sportsmanship qualities. Tigers you are a credit to yourselves and the team. It has been a great and fun season.

Ainsley Pope – Coach

The U12 Tigers would like to say a big Thank you to the Westlawn Tigers Club, committee and volunteers for all their hard work throughout the season and we can't wait to take the field again in 2017.

Finally, a BIG thank you to our wonderful team of Tigers – we have loved being a part of your soccer journey this year and we thank you for always playing your best, for always being polite and respectful and most of all for we thank you for being AWESOME! We hope you have all had fun season of football. Congratulations for making it to the Semi-Finals. Look forward to seeing you all again next Season. GO TIGERS!

Under 13 Jaguars

2016 seen the under 13 Jaguars welcome some new players to the side as well as farewell others from 2015. With the start of season fast approaching we weren't even sure we would have a coach for the year but thank you to Greg Allen who happily volunteered to take on a great group of kids that he seen as having potential.

Greg had discussions with the players early on in the season were they wanted to play and explained were he thought they should play based on their performances at training and game day. These discussions seen the players with set positions for the season, only changing as required and after talking to the team about changes he seen needed to take place to improve their game and teamwork.

Greg valued the teams input into their game, at the beginning of each training session he would ask the team as a whole what they thought happened at the last game and what they believed they need to work on to improve their game. He listened to what the players had to say and then explained what he thought they needed to focus on with each skill clearly demonstrated and explained as to how it could be used in a game situation.

The team had a great start to the season with a few good wins and some draws with the players excited for the year ahead but then struggled to transfer their skills learnt at training to the field on game day when facing the tougher opposition.

We had players move away during the season which left us with a bare 11 each week, borrowing players from the younger age groups when possible. A special thanks to those players who help field a side throughout the year; Ben Walters, Alex Salvestro, Gabby Bowles, Will Pope, Sam Marshall and Keaton Roe.

Thank you to all those parents that did canteen duty when required and helped with field set up and pack up too, it all makes a difference to a great club that's run solely on volunteers.

Thank you to the Westlawn Tigers committee members for their support throughout the season, you all do a wonderful job for the sport our kids love so much.

Thank you to our team for a great season on and off the field. Thanks to our parents and supporters for your help in canteen and on game days. We couldn't do it without you. It was great to see the team back again and welcome to new players Kya and Jedd. The kids have a lot of talent and are a pleasure to work with and thanks for letting us be a part of the team. They helped us write the report this season. Here is what they wrote.

Jaz is a massive part of our team. His left foot is amazing and he is an amazing goal scorer – Eli.

Tahlia is a great defender. She has a lot of fun with us. She has lots of energy, she never gives up and is better than most of the boys. She is a talented player and I hope she plays with us next year – Jake.

Kya is an enthusiastic player that is not afraid to take a hit. She is really good at striking and defending in general – James.

Jed is always so friendly and caring and he talks to us. He is a talented soccer player – Tahlia.

Byron is really nice and friendly. He is good to play soccer with because he is a really good defender and I learn off him – Charlie.

Eli is a very nice person and an awesome soccer player. He is an awesome team mate and good to work with – Jacob.

Mason is fast and can cross the ball in well. He can trick the opposition at times and can put the ball in the back of the net from long distances – Jaz.

James is a very energetic player. He also has a lot of pace – Myles.

Jake can defend hard. He can chase his opposition and he is not afraid to take a hit at goal. He works really hard for the ball and doesn't back out. Good job Jake. – Mason.

Myles is a good soccer player and a funny person. AKA Hippy – Jakson.

Jedd is a really good player & I am really happy to have him on our team this year. He has pace – Jed.

Jakson (Slippie) is a good goalkeeper and energetic. He is good to have in the team – Byron.

Charlie has been a good mate and has made me feel welcome. He is really good at defence – Kya.

Jacob is an awesome soccer player, funny and a great forward also good at scoring goals – Jedd.

We hope the kids & the parents never forget our Tigers way, fun first, followed by teamwork and sportsmanship. Thanks to Daniel Lavender for filling in for us and extra thanks to Shorn for his assistance at training and game days. His knowledge of the game benefits us all.

Yours in soccer, Adrian and Kylee.

Players:- *Caitlin Bell, Eilish Bender, Rhys Gallagher, Joshua Godwin, Mason Roe, Gabby Marshall, Khoi Nguyen-Moss, Matthew Parkin, Ethan Powell, Ella Sear, Flynn Shacklady, Logan Trivett, Reuben Litchfield, Brock Warren and Joshua Weatherstone.*

To call the 2016 season turbulent for the Tigers Under 14s would be a massive understatement. From the kick off we began riding a roller coaster. I have never known a team to be affected by injury to the extent our team has this season. Some of our players have had massive chunks of their season erased due to injury, Weatho – toe first two thirds of the season came back for two games then broke his arm! Brock – broken arm missed last third of the season. Finally Mason missed the middle third of the season due to hip and knee problems! The rest of the team soldiered on and our injured players were always seen sitting on the bench supporting their team.

Our matches saw us with mixed results from being thrashed by the Jags at the start of the season, to beating one of the top placed teams –Macleay Bobcats Greens – on the both occasions we met, to losing to low placed teams, then to turn it around to match it with the top four teams right up until the end of the season. The kids have finally seen the benefit of training hard – how you train is how you play. Giving 100% at training will always pay off on game day. We had a great day of football at the Gunners carnival where the kids selected where they played and they had a great time. With no pressure to get results, they actually remembered why they loved the game and got many a surprising result.

This year we had three consistent standout players.

Gabby Marshall overcame adversity and found her inner B...eas...t. She became aggressive on the pitch - tackling hard, continually fighting for that ball and always chasing the ball down to achieve that elusive goal.

Rhys Gallagher has had another stellar season with his vision for the game ever improving. He reads a game well and remains calm at all times. His smart play saved us on more than one occasion. His commitment to training this year has really shown in his massive improvement in play on game day.

Eilish Bender really stepped up this year, she took on the co-captain role with Logan Trivett and she relished in this role. She was a calm leader and always encouraging and supportive to her teammates. She is a tireless worker and never gives up. She digs deep and always gives 100% to her team. Her hardest critic is herself! (Shake it off Shake it Off oohhh) Her work ethic on the pitch matches the best Matildas.

The Tigers were lucky enough to have many a senior player train with them this season thanks to their awesome assistant coach Jesse Powell. The Tigers would like to thank Jesse for making the time to attend our training as well as running our team when supa coach was away. We would also like to thank the Under 12 players who filled in for us during the season.

Thanks also to the Tigers committee for their hard work throughout the season.

And last but not least we would like to thank our parents for supporting not only your kids but us as well.

We are super excited about the 2017 season where we hope to have a women's team and men's team, made up of this year's under 14 players and their parents, friends and other junior Tiger players.

Under 14 Jaguars

This year more than half the players are new to U14 Jaguars with some playing up age divisions, others from another club and one who hasn't played competitively before. This team has excelled because they play as a team and pass the ball around. Previous coaches have laid the foundations for a great team. Right from the start this team looked like they had played together for years. A team whose diverse skills complement each other- with some having extra speed, great ball skills or a willingness to take on the ball when it is coming at them with force. They are a complete package who have acknowledged that if they use their skills then they only need to play the ball and have been rewarded by being minor premiers (by 1 point) with only one loss for the season and with thanks to Tigers who were the only team able to defeat Maclean Green during the competitive rounds. Jaguars were also champions at the Gunners carnival.

U14 Jaguars are a relaxed bundle of energy and have learnt a lot about fitness this year. They have a great comradery and work well together on game day. Their dedication to the game has been shown by the fact that we always had a team on game day that wasn't supplemented from other teams. They also have the confidence to discuss what is lacking on the field during the game and try to assess how to fix it whilst being subbed. They don't get caught up in the big kick and run game, but rely on each other to pass and receive the ball over shorter distances to maintain accuracy.

As coach Phillip Clausen has worked on them being in close proximity to the opposition and has also taught them that a big kick from half way trying to score a goal doesn't work (with one exception- Tim McGregor who scored the goal of the season) and that coming in close creates more opportunities. This year has been about learning to trust their team mates' capabilities on the field, listening and learning new tactics. As the team matures they will be a force to be reckoned with in future years.

A big thank you to Peter Ashenden for your expertise on game day as coach when Phil can't be there.

Team players names- Jackson Nilon, Navdeep Singh, Natasha Clausen and Noah Langford make up a rock solid defence; Alex Baker and Harry Ashenden are our speedy dependable wings; Benjamin Crispin, Clay

Cavanagh, Oliver Westman, Jason Durrington and Bailey McMahon are all-rounders who rotate through attacking and defensive positions on demand, Tim McGregor hard kicking striker, Andrei Labao is striker and main scorer but due to being heavily marked has found a place in midfield distracting the opposition to allow the ball to be played up the sideline and open up scoring opportunities and James Broomfield excelling in goals.

During the season many of the players have played different positions to their usual due to the number of strikers and backs that are now in the team this year and also to take the pressure off the heavily marked players. Thanks to the players for playing in these positions to allow everyone the chance to play their preferred position.

Thanks to all the parents who cheer on the team and have happily done their rostered days at canteen and field setup/pack up. Thanks also to those who fill the gaps when something needs doing. Everyone has made my job a lot easier and pleasurable having such a great group of people to work with. Your support is greatly appreciated.

Thanks to: Robyn McGregor who organizes the team and the card to be ready for the game when I am busy and is always there to pack up the fields as is Tony McGregor and Boota Singh; Karen Crispin who organized the team to play Special Olympics squad at the carnival; Sarah Nicholls who is always there to be a helping hand offering to do extra canteen duty, field duty or washing jerseys and Dharminder Singh for donating player of the match awards.

What a difference twelve months can make. This year has seen some big changes with a few new names in the team and moving from Saturday mornings to playing Friday nights as U15's in the combined 15/16's competition. Our team has managed to remain competitive and play in the right spirit of the game and are a credit to their awesome coach Balla. I am positive that we can have another great year with the same group of players in 2017!

A big thank you to Jenny & Nick Marsh for filling in as manager & coach while Balla & myself were away. We really appreciated it. I would like to thank Balla our Coach. Thanks for giving up your time to train & coach the team this year and we hope you will be back next season.

I would also like to thank all the parents for bringing your kids to training and games, helping in the canteen and setting up and packing up the fields on those cold Friday nights. I would also like to thank the hard working Westlawn Tigers Committee for all their work during the year.

The Team

Jason: Dedicated, hardworking reliable keeper and defender.

Brock: Gets stuck in and never holds back.

Jordan: A wall in defence. Very quick. Did very well this season.

Josh: Hard tackler of the ball. Has grown into a leader.

Khion: Very fast. Great touch and never gives up.

Zac: Great dribbler and clean tackler. Very good midfielder.

Dylan: A very good left foot with great balance. Composed head and good vision.

Isaac: Hard working, great header of the ball and a bid right foot.

Ben: Super winger and speed master with great tackling skills.

Eden: Dedicated and never holds back from tackles.

Harry: Always working, always pressing, good team player.

Jesse: Getting faster and faster. Scored some great goals.

Jye: Plays the game hard and true. Has great potential.

Joel: Hard worker in midfield. Great passer and a leader.

Under 16 Tigers

2016 saw the tigers enter their last year of junior football which proved to be quite a challenge at times.

At the start of the season we saw some familiar faces, and even some new ones in the likes of Brayden Clarke and Nick Lavender. At the start, our season was a bit shaky, but all it took was a few games and our season got underway.

Once the team starting moulding together the results came, making the team eager for the next game.

With a lot of the players being eligible to play senior football, a high majority of the team took that step and it had a positive influence on our football, as a result as we secured ourselves a spot in the finals.

As we had a player leave throughout the season, we were heavily dependent on younger players to fill in so that we would have a full team to take the field. Jason Durrington, Khoi Nguyen-Moss and Andrei Labao put their hands up on numerous occasions to step up to help us out when we needed them the most and on behalf of the team we would like to say a massive thank you for your contributions.

Huge thanks goes out to our manager Karen who helped out constantly throughout the year, whether it was by washing the jerseys every week, or pulling the team into line in which she was able to earn herself a few extra dollars.

Another thanks goes to Robyn who helped out with the manager role when Karen was absent.

Thanks to all the parents who supported throughout the year and brought the team to games and training every week.

I had an enjoyable season coaching and would like to wish the team all the best for next year, especially if they decide to play senior football.

Third Division North: Crown Hotel Westlawn Panthers

The Panthers of 2016 were Tim Gooley, Justin Inskip, Caitlin Leek, Glenn McPhee, Lindsay Nash, Bai Phelps, Craig Phelps, Chris Powell, Michael Salvestro, Michael Sear, Peter Taylor, Dylan Tight, Mark Woods.

In terms of results, it has been a season of what could have been. We finished 7th however we won or drew against five of the top six sides but lost to the three sides that finished below us on the table. We used 37 different players throughout the season and in one game could only field 9 players. We finished with 35 goals shared around 12 players.

To help us out for numbers we had cameos from the following other seniors: James Joyce, Tom Baker, Michael Bowles, Cody Stephens, Phillip Clausen, Shorn Kippax, Nathan Grayson, Caleb Langford, Brayden Richardson, Angus Woods, Bailey Tobin and Jesse Benfield.

Panthers offer a great stepping stone for juniors to get a taste for senior football and realise that they are not out of place at that level. Congratulations to the juniors that stepped up this year: Kaden Chaffey, Dominic Bowles, Billy Warren, Jayden Coulter, Brayden Clark, Travis Eichmann, Harry Warren, Josh Arandale, Nick Lavender, Shannon James and Jordan Nash. Kaden prove to be one of the most enthusiastic participants, notching up 9 games and knocking in a goal. Dominic was in contention for the Players Player award with just 6 games and also made it onto the score sheet with a great free kick from out wide. They all put in great showings and we hope to see more of them in seniors next year.

Players Player went to Craig Phelps, always giving 110% for his team mates and so positive on the field, he is great to play alongside.

Best & Fairest, Chris Powell. This was a tough choice to make with some great players in the mix. Chris gives his all for the team, would not show regard for his self preservation to defend the line and cover for his team mates. He also demonstrated great leadership and organization in the backline.

Coaches Award goes the Dylan Tight. Panthers don't have a strong track record of training however I have heard reports that Dylan was a regular there this year and trained hard. The results showed in the field as he stepped up his work rate, demonstrated great ball skills and progressed closer to his potential.

On a personal note, after 16 seasons with the club and about 250 games across 14 seasons as a player I will be moving on. Westlawn has been an awesome club to be involved with and I am grateful to have met, worked and played with some great people and friends that I will miss. I wish you all the best for future seasons. Men's Reserves

The season began for not only the Ressies but Prem's with pre season fitness training combined with ball work. (Ball work is great but who wants to do fitness). The season was looking great with fantastic numbers turning up when it was only pre season.

It was pleasing to see some previous players returning to the club and new players arriving such as Jack Chard, Nathan Grayson, Taylor Corbacho and The recruit of the season our Brazilian import Clancy. It was also pleasing to see the majority of players return from the 2015 season and the inclusion of Jordan Newman from another club. It was also fantastic to see players wanting to play at a higher level such as Bryce Gleeson and Anthony Wall, with the inclusion of Jayden Coulter from the under 16 side.

Also the input from stalwarts such as Shorn Kippax and Sam Brien has been appreciated and has been very rewarding to have them in the Ressies squad.

The season saw some highs and lows with the Ressies beating top sides but going down to sides we should have beaten or at least drawn with. Part way through the season Westlawn Tigers Ressies were the only side in the competition to have beaten the two top sides at the time, Coffs Tigers and Coffs United Lions.

By the time the second half of the season came we were starting to play some really great football and starting to put some teams to the test. The guys were starting to move the ball around well, using short sharp passes, talking, movement off the ball right from the defence of Matt McMahon in goals, Phil Clausen, Bryce Gleeson, Jesse Benfield, Michael "Dougs" Bowles or Bima Dekker who we lost part way through the season due to injury. The midfield really worked well combining with the backs and strikers. Players such as Luke Shipman, Sam Brien, Shorn Kippax blocked up the midfield and combined with wide players Jordan Van Vyfeyken, Bailey Tobin (when not injured), Nathan Grayson, Brayden Richardson and Jayden Coulter when available. The strikers up front have really excelled with Jordan Newman and Taylor Corbacho forming a great combination and scoring a glut of goals.

As a coach the season has been very rewarding and uplifting knowing that these young men had a connection with my son Josh and have accepted me as not only a coach but as a mate and mentor. I would really like to thank all these young men Prem's and Ressies for the effort they have put in this season but next season will be better.

Also thanks to James for all the special training sessions he provided which included the prem's and Ressies. I would like to thank James and the Prem's players for allowing the Ressies to stay as a team each week and with aspirations of making the finals only to just miss out ending up in sixth spot the highest for some years.

I hope the season has been as fulfilling for all the players as it has been for me as a coach and as a mate. Thanks again to all players and club personnel and hope you all return for a better season in 2017.

Thanking you all
Ressies Coach Greg Allen

Men's Crown Hotel Premier League

2016 was another tough year of results at senior level for our club. The challenges faced by fielding young squads was again evident, but it was pleasing to see the progress and development of some of those players who have spent some time in the senior squads.

Congratulations to resses for putting in a strong season and unfortunately finishing just outside the finals spots.

In reflection, our biggest issue in Premier League was consistency (and own goals perhaps). I felt that for most games we were competitive, and had we taken some early opportunities in games results could have easily gone our way. It showed that our guys can match it with the best in the league but we needed to work harder to display that for 90 mins of football.

The consistency we were chasing can only be developed by hard work and commitment to training and playing, and unfortunately with younger players with competing interests (school, employment, girls, etc) that can prove difficult. But credit to the squad for taking on these challenges. Both teams adapted well to the changing of line-ups week in week out.

I encourage young players to aim to play at the highest level of football they can, even if that means having to work really hard to achieve that next level. It is important for our club that parents, coaches, managers and supporters also develop certain traits in their children so that they will continue to challenge themselves as players when they enter senior football. This is repeated from prior years, but I think that improvement in the following areas (at senior level but also within junior teams) will produce more young players driven to be the best that they can be:

- **Commitment to training** (not just showing up to talk to mates but by respecting your coach and working hard while you are there)
- **Developing mental strength** (forcing yourself to work hard despite being fatigued, making up for when you lose the ball, and keeping your mind in the game regardless of the score)
- **Strengthen Team and Club Mentality** (work hard for your team mates and team on and off the field. This includes keeping possession, moving off the ball, and challenging hard. It also includes respecting your coaches, other players, and assisting with things like pumping up balls, setting up nets and fields and being role models for future players)

Lastly I would like to thank all of the playing squad for this season. Although I think certain aspects could have been improved upon, most players did show up each week and put out a decent performance. A particular thank you goes out to those players who put their hands up for first grade when asked or not. A club is only ever as good as the people who take on the challenges to do more.

Thank you Greg for your assistance with running the lads and working with the resses players. And Julie for cleaning the strips each week, we know that Greg has no idea what a washing machine is.

Thanks to Shorn for undertaking all your hard work behind the scenes, most of which goes unnoticed, particularly your commitment to getting the BBQ done at home games, even when you are meant to be sitting on the bench. Thank you to Liz, Wayne and Jenny for providing excellent grounds and canteen facilities and giving up so much of your own time to make this club great.

Thank you to our main sponsor The Crown, and all the other club sponsors.

Thanks to my family who put up with me spending a substantial amount of time committed to Football.

A special mention here for Matt Cheney who has likely played his last premier league game for Westlawn after many seasons at the club. He did manage to tick off his wish list in his final game (last 90 mins, play striker and score a goal playing against lions, outgoing team captain and man of the match). Thanks for all your help with the playing group Matt and for all the effort you have put in over previous seasons.

My final shout out is to thank Lindsay Nash for all the work he has put into this club and for generally being a good man. Our extended senior squads have benefited from your involvement over many years and will be sad to see you leave. But all the best for the new chapter in life.
